

MATRIMONIAL BLISS IN ASIA

"Destination weddings continue to be a popular choice for couples wanting a unique and romantic event in a breathtaking environment", says Creative Director, Sonya Yeung of Bliss Creations.

"More and more couples are opting for something which is reflective of their personal styles as well as an event which is intimate along with the added bonus of a relaxing getaway for those attending."

For over 5 years, Bliss Creations has worked with

couples worldwide planning weddings of all sizes across Asia Pacific including destinations such as China, Indonesia, Thailand, Philippines, Cambodia and newly added Fiji.

"We work with some of the best hotels, resorts and wedding suppliers in Asia and also pride ourselves on constantly finding new, unusual and exclusive locations while ensuring a high quality and professional service to create the perfect dream come true"....
