DWHA AWARDS

Ernest Hemingway once wrote "never go on trips with anyone you do not love." If he were alive today, Hemingway would, no doubt, have been desperate to get his hands on this, our awards nominees issue. It is full of love and adventure; our nominees provide incredible travel opportunities to some of the most amazing destinations in the world!

We also recognise the most talented professionals that make the wedding day itself so memorable. Planners, photographers, bridal designers and make up artists are celebrated too.

I hope you will agree that these DWHA nominees truly are the best of the best; we are delighted, and of course, honoured to be able to recognise them.
